bone broth health drink

hearty vegetable flavour

increases collagen that
reduces inflammation

GMO & ALLERGEN FREE

ANNIQUE rooibos

one Broth, also known as collagen broth, is an exceptional and convenient drink. Collagen contains more than 90% protein and bone broth provides 21.4g protein per serving. Due to the high protein content the **Bone Broth** health drink will give a fullness effect. **Bone Broth** is the ideal protein source for those who are sensitive to dairy products.

one Broth contains bioactive type I peptides that promotes healthy ageing, joint and bone health. It improves the immune system and naturally detoxifies, supports healthy skin, hair and nails, and is also beneficial for brain and heart health.

The amino acids found in bone broth, including glycine and arginine, have strong anti-inflammatory effects. Arginine, in particular, may be especially beneficial for fighting chronic inflammation.

usage: Dissolve one sachet (26 g) in 50 ml boiling or warm water and stir until dissolved. Can be added to soups, stews and casseroles

ingredients: Peptide Collagen, Hydrolyzed gelatin, Maltodextrin, flavour (natural berry vegetable), Xanthan gum, Sodium Chloride, Citric acid and Colourant (Sunset Yellow).

This unregistered medicine has not been evaluated by SAHPRA for its quality, safety or intended use.

Complementary Medicine:
Health Supplement

ALLERGENS: None.
Manufactured in a factory that uses wheat, Soy and Milk.

TORAGE INSTRUCTION:
Store in a cool (Below 25 °C), dry place.
