

If one of your new year's resolutions is to earn more money this year, you are at the right place at the right time. The Annique Bounty Compensation (ABC) Success Plan is a rich, dynamic plan to reward your efforts. There are 13 ways for you to get paid on this plan. In this article we would love to share the income possibilities with you using real-life examples.

The calculations we used in this article are based on Annique Consultants in the business. Here, you can see the amount of money you can earn through personal sales, building a business and becoming a leader.

If your dream is to work for yourself, now is the time to start presenting the business opportunity to potential new consultants and assisting them in becoming successful. In doing so, you will become successful and earn an extra income or make it your full-time job.

## Tips to increase your income

1

Build your Level 1, which you personally recruit, as wide as possible. Then teach your Level 1s to recruit. On the next page you can see the income opportunity of Team Building 1 and 2 earnings.

2

Build structure and develop Managers – If you look at the Emerald Director's income from her Generation 1, that is all about building Managers in different legs in your business.

3

Building your business by recruiting consultants ensures a long term sustainable business. You as the sponsor should never stop recruiting on your Level 1.

4

ENJOY and have lots of fun in the process. YOUR DREAM of your own business can come true.
