skin

Annique's Essense Sensi Crème is the number one solution for those with sensitive skin and those suffering from allergic skin problems.

Your skin might be sensitive due to hereditary factors, pollutants, free radicals, harsh skin care methods, medication, diet or environment.

The Sensi Crème can recondition and coach your skin to accept and respond positively to Annique's skin care ranges, including moisturising, cleansing, nourishing and revitalising products.

Did you know?

Sensi Crème contains Rooibos extract and is hypoallergenic and non-irritating and helps to calm and soothe red, irritated, inflamed and the most sensitive skin types.
