

# #AcneAway!

Slay your beauty routine and say goodbye to acne with products that treat and prevent skin breakouts and problems. Try these and start seeing the difference.

## What?

- A gentle, glycerine-rich facial soap bar suitable for oily and problem skin
- Removes excess oil and rinses clean without leaving any residue that may clog pores and will not dry out the skin
- Contains antibacterial tea tree oil that helps to reduce inflammation and skin-detoxifying charcoal to help absorb toxins and impurities, prevent breakouts and keep your skin clear, balanced, hydrated and acne-free

## How?

- Lather soap and apply to wet skin with gentle circular movements to the face and neck, then rinse with lukewarm Rooibos-infused water. Press dry with a clean face towel.
- Cleanse once a day, preferably in the evenings.

## Why?

If you have irritated, acne or problem skin, this will clear up impurities quickly!
