- 85% said their skin looked and felt renewed
- 85% said their skin looked visibly restored
- 71% said that after using the product, their skin looked plumper

DID YOU KNOW?

VNA10+ is a highly effective plant extract and a vital active anti-ageing ingredient of this exclusive cream. It helps to revive and restore your skin.

“

I love this best-seller Revitalising Cream because it has improved my skin elasticity and reduced lines on my skin. I also love it because it nourishes, repairs and restores age. But, the best part is that it has maintained and restored my youthful look.

Selma Mingelius

”

DID YOU KNOW?

Our Revitalising Cream contains Pro Vitamin B5, that:

- Boosts collagen
- Boosts elastin production
- Supports a healthy skin barrier that prevents dryness and damage

DID YOU KNOW?

Forever Young Revitalising Cream must be used with a moisturiser to unlock its full anti-ageing potential to rejuvenate your skin. It provides nourishment, while a moisturiser offers hydration. It can be used at any age and works for all skin types. Skin cells are restored and rejuvenated to give your skin that elusive fresh, healthy glowing look at any age.
