

Wrinkles AWAY!

Forever Young Bo-Serum is your Botox in a tube, but unlike Botox, it is a safe, non-toxic, non-invasive alternative to surgery or injections. See your wrinkles diminish with every application of this potent serum!

- Prevents wrinkles from forming
- Face-lift in a tube

Miracle ingredients

Rooibos Extract

- Anti-ageing
- Antioxidant
- Soothes sensitive skin

BoNT-L Peptide

- Mimics the results of Botox
- Minimises deep wrinkles and expression lines

VNA10+

- A biotechnological plant extract 100% identical to human placenta
- Helps to nourish and repair aged and dehydrated skin
- Has superior collagen boosting benefits

Why do we get wrinkles?

Prominent wrinkles and lines are prone to appear on areas of the face that involve repeated facial expressions like smiling and frowning. Bo-Serum can help soften these lines, giving the skin a youthful appearance.
