

Defy the signs of ageing

Annique Rooibos Forever Young Crème De Nuit is a rich anti-ageing night cream that enhances the skin's own repair process by providing the necessary nutrients that your skin needs to rejuvenate itself while you sleep.

Did you know?

At night, the metabolism of the cells close to the surface of your skin accelerates, and night creams are formulated differently from other skin care products to utilise this increased blood and oxygen supply during the night.

Formulated with VNA10+

- A biotechnological plant extract from the Mexican 'Skin Tree' which is 100% identical to the human placenta.
- It is a bioactive peptide with superior collagen-boosting activity aged and dehydrated skin.
- Nourishes and repairs your skin while you sleep
- Combining VNA10+ with Rooibos extract turns it into an unbeatable night-time treat.

For mature, dehydrated and sensitive skin types
