Made with Rooibos-infused oil that adds skin boosting antioxidants

Rooibos Miracle Tissue Oil
100ml

SCSS23004

"This is an amazing tissue oil. I have tried everything on the market. This one doesn't make everything sticky. It leaves your skin soft, moisturised and smelling divine. When you apply it, it feels like you had a spa pamper treatment at home. It also lasts long, making it so much more affordable."

Desiré

"You can't find a better tissue oil, believe me. This is my go-to for anything. I used it for my acne scars, it did not only make them disappear but moisturised my skin too. I also used it on scars from stitches after an operation. Oh, what a miracle it is! I love it."
