RESQUE
TREATMENT

ROOIBOS AND HEMP
BODY CRÈME

ANNIQUE
rooibos

Deeply nourish, repairs, and protects dry and sensitive skin.

Key Active Ingredients

Rooibos:

Powerful antioxidant that calms irritation and protects against environmental stress.

Hemp Seed Oil:

Rich in omega fatty acids, deeply moisturises, strengthens skin barrier and supports antibacterial defence.

Shea Butter:

Softens, smooths and prevents moisture loss.

Cocoa Butter:

Conditions, protects and improves elasticity, leaving skin velvety smooth.

Unique Selling Points

- Dual soothing & protective power of Rooibos + Hemp
- Deep, long-lasting hydration from natural butters & oils
- Calms, repairs, and protects stressed or irritated skin
- Light, non-greasy texture that absorbs quickly

BENEFITS:

- Formulated with natural oils like avocado and coconut to support skin health
- Antibacterial action from hemp oil helps soothe irritation
- Gentle enough for sensitive skins
- May help soothe eczema and dry-skin conditions
