

Energise your skin

Skin energy matters

Powered by purposeful ingredients

Co-enzyme Q10 (Ubiquinone)

Supports skin cell energy production and helps improve the appearance of firmness and smoothness.

Collagen Amino Acids

Help support the skin's structure while promoting lasting firmness.

Rooibos

Annique Rooibos' signature antioxidant, helping calm and protect skin from environmental stress.

VNA10+

A bioactive plant-derived peptide that supports skin renewal and vitality.

Vitamin E

Supports the skin barrier while helping defend against free-radical damage.

As skin matures, its natural energy production gradually slows. This can show on the skin as:

- Loss of firmness
- Dullness
- Slower renewal
- Fine lines and wrinkles

Firming Col-Q10 Therapy helps support the skin's natural energy processes, encouraging skin to look smoother, firmer and more revitalised with daily use.

Skin-supporting benefits:

- Helps improve skin firmness and elasticity
- Reduces the appearance of fine lines and wrinkles
- Supports natural skin renewal
- Nourishes the skin
- Helps protect against daily environmental stressors

Ideal for those experiencing:

- Early or visible signs of ageing
- Loss of firmness or elasticity
- Tired or dull-looking skin

How to use:

- Apply morning and evening after cleansing and before moisturiser
- Use as preventative support from 25-35, and restorative support from 35+ as part of a complete Annique Rooibos

Forever Young Firming Col-Q10 Therapy 30ml

A daily skin-energising treatment formulated with high-strength co-enzyme Q10, collagen amino acids and antioxidant-rich Rooibos to help revitalise, firm and support youthful-looking skin.
