

A WORLD FIRST:

# NAD & ROOIBOS

## Unlock the Secret to Healthier Ageing!

Ever wished you could slow down ageing? Science has uncovered a way to help you **age healthier** with **NAD and Green Rooibos** – a **world-first** combination for longevity and vitality.

### FUN Fact!

Did you know that **NAD levels drop by nearly 50% between the ages of 40 and 60?** That's like your body's "battery" running low over time!

But the good news? Boosting NAD can **recharge your cells**, giving you more energy, better brain function and even helping you age healthier!
